confirms that the products – construction products according to the Council Directive 89/106/EEC

SANITARY APPLIANCES - WASH BASINS

ACCORDING TO EN 14688

types given in the annex No. 1/ 09 0290 T/ITC

manufactured by company

TURKUAZ SERAMIK SAN. VE TIC. A.S.

1. OSB 6. CADDE NO: 15 MELIKGAZI KAYSERI, TURKEY

complies with the applicable requirements of European technical standard:

EN 14688 Sanitary appliances - Wash basins - Functional requirements and test methods

EN 32 Wall-hung wash basins - Connecting dimensions

EN 31 Pedestal wash basins - Connecting dimensions

As the compliance with the harmonized standard EN 14688 is a presumption of conformity with the appropriate New Approach Directive, the product conforms from viewpoint of above indicated characteristics to the CPD Directive No. 89/106/EEC establishing requirements for CE marking of construction products placed on the EU market. The product description, documents, assessment procedures and ITT results are presented in the Final Report No. 313500183 / 2009, which is enclosed to this Certificate.

This Certificate is issued under following conditions:

- 1. It applies only to the above referenced model of the construction product.*
- 2. It does not imply that the ITC has performed any surveillance or control of its manufacture.*
- 3. The manufacturer is obligated to implement and maintain a Factory production control system assuring that all construction products of the respective models conform to the type approved by this Certificate.*
- 4. After fulfilling of the EU legislation requirements and EC Declaration of Conformity issuing, the certificate holder shall affix to each product of the approved type the CE marking according to an example (the information as specified in Annex ZA of the harmonized standard shall be appended to it):*

Issued in Zlín, on 19/05/2009
